

GROUNDING IN GOD. ROOTED IN RESEARCH.

From **immigration** and **healthcare** to **family values** and **religious liberty** – iVoterGuide covers all the issues most important to you; and we back it with quantifiable research.

We've gathered more than 56,000,000 donation records; candidate endorsements from 1,000+ organizations; legislative voting records from 100+ organizations all into one **data-driven, personalized voter guide**.

With iVoterGuide, you can compare the candidates, side by side, and identify who most closely shares your values -- and who has the record to back up their campaign promises.

In a world where we're inundated with the noise of never-ending news cycles, seemingly endless campaign advertisements, and deceptive media practices, iVoterGuide stops the chaos so you can learn the truth. iVoterGuide doesn't tell you who to vote for; instead, we give you the information so you can **decide for yourself**.

At iVoterGuide, we know that elections have consequences, and we know God has called Christians to be good stewards of their citizenship. By effecting numerous races with every voter guide and now - by offering our federal voter guide to eligible partners for FREE - **iVoterGuide provides value and impact few organizations can offer**.

Thank you for joining the iVoterGuide team as we prepare for the 2018 election cycle. The battle for the hearts and minds of the American people is real, but with your help, we can spread the truth and equip Christians across the land to stand up for conservative principles and Biblical values.

"The most important thing is to bring people to Christ.

*The second most important thing is to preserve the freedom
to do the most important thing."*
